

Memo for record

7 Oct. 1959

Subject: Speaking invitation at Indiana University, 12-13 Nov. 1959

25X1A9a Telephone inquiry to [redacted] today from [redacted] Personnel  
Office (with whom I had talked last July about above invitation), asking  
whether DCI had accepted invitation from Mr. Sutton of Indiana University.  
25X1A9a If so, [redacted] said, he wants to arrange for proper recruitment  
representation at the University for that occasion.

25X1A9a After checking files (by Nangy) and coordination with Col. Grogan, I  
informed [redacted] that the DCI had declined\*, and that he had designated  
Mr. Otto E. Guthe to speak in his place at the Asian seminar. I suggested  
25X1A9a to [redacted] that he check directly with Mr. Guthe to see whether the date  
was still firm, and to check with FE [redacted] if he wanted to have 25X1A9a  
further background on Mr. Sutton, if he plans to use him as a contact.

\* By letter of Aug. 5, 1959; apparently  
not send a copy to Personnel Office.
